Preventative Measures

All employees must work remotely to the extent that they can

Daily Screening for Workers

If you are feeling sick, stay home. If you are experiencing any Covid symptoms, stay home. All employees are to monitor themselves for symptoms of Covid 19.

Social Distancing

Employees are to use social distancing techniques when applicable as outlined by the local health department.

Proper Workplace cleaning and disinfection

Employees are responsible to sanitize their own workspace. Hand sanitizer and face masks are available.

Personal Protection Equipment

Employees are encouraged to wear PPE if they can be medically tolerated.
